Being a fitness leader (FL) is like starring in my own concert – I get the crowd going, motivate them and create a FUN environment so that they forget they're working out!

– Andrew Alcalde, BCRPA FL @andrewclassfitness 

I am a life-long learner committed to helping people improve their health through the highest standards of excellence. BCRPA fulfills this role for me. I started as a Fitness Leader (FL) leading group fitness. I obtained my Supervisor of Fitness Leaders (SFL) and recently progressed to Trainer of Fitness Leaders (TFL). I am honoured to serve our fitness community in keeping people safe, moving well, and supporting the next generation to do the same.
